## ➡ AT THE PARTY ⬅

S&G has teamed up with The Skyboat Cafe to come up with the perfect party for little ones. Our team of entertainers will lead the children on an adventure with a series of games & activities using imaginative & tactile play. The children will design Skyboats, decorate gingerbread men & race around the softplay on a Skyboat Safari & alphabet treasure hunt. They'll chase & pop magic bubbles as well as have a good old boogie!
